Stanislaus County's 8th Community Conference

The Annual Community Retreat has been reformatted!

For the past seven years, Stanislaus County has hosted its Annual Community Retreat providing the community with information, networking opportunities, and resources. This year, we are revamping the event to provide specific information to help community leaders address the concerns of their communities while partnering with County staff and other local resources.

Further details regarding the event will be sent out with the courses and location. Registration will be required for the event.
