## COMMISSARY AUTHORIZATION FOR COMMISSARIES LOCATED OUTSIDE OF STANISLAUS COUNTY

Please make sure the writing is as clear as possible. (An illegible application will result in a delay or denial of a permit.)

**IMPORTANT:** For any mobile food facilities operating from a commissary that is located outside of this county, the operator must complete this form.

- The mobile food facility must possess the capability of holding potentially hazardous foods at the required temperature range during transportation. Using an ice chest is not an approved method to hold potentially hazardous foods (except ice cream and whole fish) according to California Retail Food Code Section §113885.
- The applicant must attach a current Health Permit of the commissary with this sheet.

The following must be completed, and the shaded area must be completed by the local Environmental Health inspection agency for commissaries located outside Stanislaus County:	
Commissary Name	
Business Address	
City	ate Zip Zip
Phone County	
Inspector's Name	
Phone – Job Title	
Inspector's Signature: X Date: X	
Will the mobile food facility be stored at the commissary overnight?	☐ YES ☐ NO
Does the mobile food facility possess a generator or inverter to supply power to the	cold holding unit during transit?
Has the inverter received approval from the California Department of Housing and Community Development?	
I, the above-mentioned MFF owner/operator have answered the questions to the best of my knowledge, and will operate out of the above-mentioned commissary and report to the commissary at least once each operating day for cleaning and servicing (As noted above). If the use of the commissary is discontinued, I will notify the Stanislaus County Department of Environmental Resources to make the necessary changes.
