Learn about good bugs and bad bugs at the Modesto Library

Retired MJC Microbiology Professor Richard Anderson will present “Good Bugs/Bad Bugs” at the Modesto Library Saturday, Nov. 12 at 2 p.m. Anderson will show examples of several types of helpful bacteria found in the human body. He will explain how these bacteria benefit us, but also what can go wrong if they get out of control.

This informative presentation will be held in the downstairs auditorium of the Modesto Library, located at 1500 I St. Free parking is available on surrounding streets and in the parking lot behind the library. For more information, or to reserve a seat call 558-7814.
