### **Craft Programs at the Waterford Library**

Children and teens age 6 to 18 are invited to the Waterford Library on Tuesday, July 9 at 3:30 p.m. for a special button making craft. These unique buttons can be pinned on bags or backpacks and can highlight each participant's individual style.

The Waterford Library will also be holding a special Guitar Pick Punch Craft for teens age 13 to 18 on Tuesday, July 30 at 3:30 p.m. During this craft, teens will have the opportunity to upcycle gift cards into colorful guitar picks.

Craft programs give children and teens an opportunity to interact with their peers in a fun and friendly environment. Books and materials from the library's Young Adult collection will also be on display and available for checkout.

For more information, please call the Waterford Library at 874-2191.
