The Airport Land Use Commission welcomes you to its meeting which is scheduled each quarter. Your interest is encouraged and appreciated.

The agenda is divided into two sections:

CONSENT CALENDAR: These are items on this agenda designated by an asterisk (*) next to the item number, requiring an Airport Land Use Commission public hearing but which, following an initial evaluation by staff, have been found to be consistent with existing County policy and the Airport Land Use Plan and are, therefore, recommended for “routine” approval. Prior to actual Airport Land Use Commission consideration, the Chair will open the public hearing and ask if anyone present wishes to discuss any of the items. If you want a particular agenda item removed from “Consent”, please speak up and advise the Chair. That item will then be withdrawn from “Consent” and reviewed in detail as scheduled. The remaining “Consent” items for which there are no voice objections will be handled by a single action of the Commission.

NON-CONSENT CALENDAR: These items will be individually discussed and reviewed in detail.

ANY MEMBER OF THE AUDIENCE DESIRING TO ADDRESS THE AIRPORT LAND USE COMMISSION REGARDING A MATTER ON THE AGENDA: While the Airport Land Use Commission welcomes and encourages participation in the Commission meetings, it would be appreciated if comments are limited to five minutes so that everyone may be heard.

PUBLIC COMMENT PERIODS: Matters under the jurisdiction of the Commission, and not on the posted agenda, may be addressed by the general public at the beginning of the regular agenda and any off-agenda matters before the Airport Land Use Commission for consideration; however, California law prohibits the Commission from taking any action on any matter which is not on the posted agenda unless it is determined to be an emergency by the Board of Supervisors. Any member of the public wishing to address the Commission during the “Citizen’s Forum” period will be limited to a maximum of 5 minutes.

New agenda items will not be heard after 11:00 p.m. If agenda item is not fully discussed by 12:30 a.m., it will be continued at the discretion of the Chair.

AIRPORT LAND USE COMMISSION AGENDAS AND MINUTES: Commission Agendas, Minutes, and copies of items to be considered by the Airport Land Use Commission are typically posted on the internet on Friday afternoons preceding the meeting at the following website: <http://www.stancounty.com/planning/>. All materials, including materials related to an item on this Agenda, submitted to the Commission after distribution of the agenda packet are available for public inspection in the Planning Department at 1010 10th Street, Suite 3400, Modesto, during normal business hours.
