Dear Stanislaus County Planning Commissioners:
Re: Use Permit Application PLN 2018-0080-Central Valley Crescent

Salutations and warm regards. I hope this email finds you well. My name is Dr Amrish Ghumman. I live at [REDACTED], Modesto CA 95356. I am writing to support Central Valley Crescent (CVC) in obtaining a use permit. As a concerned Stanislaus county resident who is not a member of this community, I would like to express my full support for this proposal.

Thank you for your time and all the great work you do for the community.

Sincerely,

Amrish Ghumman

To whom it may concern,

My name is John Torres and I live at [REDACTED] in Modesto. My friend, Ruben Batista, mentioned his Mosque (Central Valley Crescent) and the work they do with their youth and others from his congregation at this location. Ruben and I are working closely together at Roosevelt Jr. High by starting a Hispanic Youth Leadership Club (HYLC) for students there on campus. His passion for equipping these young men and women with leadership skills has been so encouraging to see and to be a part of. If he and others at Central Valley Crescent are investing in their community and youth with the same passion that I've seen from Mr. Batista. I strongly encourage you all to allow them to gather their at this location.

On another note, I am a Christ loving member of Redeemer church here in Modesto and I have been extremely blessed by the conversations Ruben and I have had about each others religions and beliefs. I don't have many Muslim friends, so to be able to have a safe person (friend) to ask questions and learn more about those of the Muslim faith is just amazing and helpful.

Lastly, I love the idea of a "Faith Street" with so many different faiths/religions on it! Big Valley (Christian), the new Catholic church coming, the Hindu Temple, the Buddhist Temple as well as a Mosque is such a statement that Modesto has come a long way in inclusivity and cares about ALL of it Central Valley residents.

If you would like to contact me for further questions please don't hesitate to do so...

John Torres
[REDACTED]

Thank you so much for your time.

Blessings!

Distinguished planning commission members, staff, and fellow citizens

Good evening

My name is Dr Rana Javed, I Moved to Modesto Back in 2008 and since then I have been working at Memorial Medical Center Modesto serving residents of Modesto since past 15 years and hopefully many more years to come.

At first, I must say this was a Surprise but a welcome one, I have always found city of Modesto to be friendly, cordial, and integrative.

As a physician, In My last 15 years, I have **recruited about one dozen physicians to serve the community.**

We are family of four and have been living Northwest part of town since past 15 years, we are mostly community of growing and thriving professionals.

There is an immense need for a small center of Islamic education like **Central Valley Crescent**, where we can get quality education for our children so that they can be a good law-abiding citizen and keep contributing to the growth of the city of Modesto.

We firmly believe in respecting other faiths and religions.

We are also firm believer of Declaration of independence of **Life, liberty, and pursuit of happiness**, where people with vast cultures, beliefs and faiths can co-exist together with mutual respect and contribute to the Greater Good of the land of the free and home of the brave, The America.

We respectfully request commission members to approve our plea for permit to use CVC.

Thanks

Rana Javed MD

Re: Use Permit Application PLN 2018-0080-Central Valley Crescent 7216 Carver road

Good Morning **Stanislaus County Planning Commissioners**, my name is Amar L Pohwani, I reside at [REDACTED] Modesto CA, I want to express my support for Central Valley Crescent located at 5043 Tully Rd Modesto CA as a place of worship. I am not an attendee and non-Muslim however I know of central valley crescent through my several friends at work and neighbor Sohail Sareshwala who attends regularly.

I am interventional cardiologist at Sutter Gould Medical group for last 20 years, have been in leadership in various positions in Sutter system as well as outside the work, have recruited several physician from Muslim community from different countries in origin as well as American born Muslims. I also know several physicians who have been working at Doctors Medical Center and Kaiser Permanente from Muslim community. As you all know it is very difficult to recruit and retain specialists in Central Valley. One of my brilliant cardiology partner left the Sutter Gould Medical practice because inability to find place for him and his family to worship. I personally also know several nonphysician Muslims in the community who are financially very successful and heavily investing in Modesto with a different projects.

I and my family go to a Hindu temple on Tully road, their permit was approved recently. It will be nice to have a place of worship for Muslims in our community next to the Temple and Church, it will be a great example of interfaith in a Central Valley. I firmly believe that promoting religious diversity and inclusivity is a hall mark of America

Thank you for your time,

Amar L Pohwani MD

Regarding the item D

– Blue Oak Naturals); APN 135-043-031, located at 4100 Bangs Avenue, in the Community of Salida (UP & DA No. PLN2019-0092 –
Is this the test lab that we had in to the Salida meeting,
or retail that we have not been advised on ??

Also ITEM C:

I wondered why we would hold up a church with ceqa when Jackrabit project couldn't even reach out 1/2 mile for
A sewer connection for 300 workers... same area, same ground water feeding both the wells.

Kind regards,
Brad Johnson

*** WARNING: This message originated from outside of Stanislaus County. DO NOT click links or open attachments unless you recognize the sender and know the content is safe ***

Hello everyone. My name is Deen Wafa. I am 13 years old. I attend Prescott Jr High school in Modesto. I just want to give a quick talk about the impact Central Valley Crescent has had on me. This is my eighth year here at Central Valley Crescent and here I have learned about good etiquettes the importance of family, friends and community. CVC has taught me important things I implement in my life everyday like praying, reading Quran, learning about good manners, and morals. Its important for us Muslims to have a safe gathering place and connect with friends of the same religion. I enjoy connecting w my peers directly as opposed to spending time on social media. I ask not just for me, but for the whole Islamic youth community that you support the use permit for cvc. Thank you for your time.
