December 7, 2023

MEMO TO: Stanislaus County Planning Commission

FROM: Department of Planning and Community Development

SUBJECT: STREET NAME APPLICATION NO. PLN2023-0103 – HOFFMAN RANCH

DISCUSSION

This is a request to assign names to the road network of an approved 76 lot residential subdivision on 15.9± acres, located on the north side of East Zeering Road, between Riopel and Arnold Roads, in the Community of Denair (see Attachment A – *Maps*). The subdivision was approved by the Stanislaus County Board of Supervisors on June 6, 2023 as Rezone (REZ) and Vesting Tentative Map (TM) No. PLN2021-0101 – Hoffman Ranch, a project which amended the zoning designation from Planned Development (P-D) (288) to a new P-D and approved the subdivision. The Board Report for the approved project can be found at the following web address: <https://www.stancounty.com/bos/agenda/2023/20230606/PH01.pdf>.

The State of California Streets and Highways Code Section 970.5 authorizes the County Board of Supervisors, or its designated officer, to name or amend the names of streets. On January 21, 1995, the Stanislaus County Board of Supervisors designated the Director of Planning and Community Development as the County Officer to name or change street names; after receiving advice from the Planning Commission sitting as a quorum.

The naming of streets proposed as part of a land subdivision would typically occur during the approval process with the proposed new street names being reflected on the tentative map/parcel map presented to the Planning Commission for consideration. In this case, the approved subdivision included the extension of existing County-maintained Chalmer and Corona Ways, as well as two new road segments and three new courts with placeholder street names (Streets "A" and "B" and Courts "C", "D", and "E") reflected on the subdivision map presented to the Planning Commission and approved by the Board of Supervisors.

As reflected in Attachment A-7 – *Maps*, the developer, Dan Dunkley, is proposing the following road names for the road network within the subdivision:

- Chalmer Way (extension)
- Corona Court
- Corona Way (extension)
- Gertrude Court
- Kilpatrick Court
- Hunter Way
- Nolan Way

In accordance with Stanislaus County Subdivision Ordinance Section 20.52.060 - *Street Names*, street names shall not be the same or so similar as to be confused with any other street name in the County. In accordance with standard County practice regarding the naming or changing of a street name, the proposed street names were referred out to Stanislaus Regional 911 (SR 911) to verify the names are not the same or too similar to any other street names in the County. As a courtesy, the County's Department of Public Works was consulted on the street names as well. Both Public Works and SR 911 reviewed this request and no concerns were identified. The proposed names were also not found on the Planning Department's reserved list of street names.

In accordance with the Streets and Highways Code, notice of the December 7, 2023 Planning Commission public hearing was posted at three public places along the project site frontages off Arnold Road, East Zeering Road, and Riopel Avenue (see Attachment A-8 – *Maps*). Notice of the public hearing was also provided to surrounding landowners (300-feet in all directions), and published in both the Denair Dispatch and Modesto Bee Newspapers. Notices were also sent to the Denair Municipal Advisory Committee, Denair Community Services District, and the Denair Unified School District (see Attachment B – *Distribution List*).

ENVIRONMENTAL REVIEW

The request to assign street names to an approved road network is not considered a project under the California Environmental Quality Act (CEQA). A Mitigated Negative Declaration was adopted for the REZ and TM No. PLN2021-0101 – Hoffman Ranch on June 6, 2023.

ACTIONS NEEDED BY THE PLANNING COMMISSION AND DECISION OF THE PLANNING DIRECTOR

The Planning Commission is being asked to advise the Planning Director on the naming of five new streets. The Planning Director will use the advice from the Planning Commission to make the final decision to approve or deny the proposed street names.

If no objections to the proposed new street names are voiced by the Planning Commission or members of the public during the public hearing, it is the Planning Director's intent to approve the new street names as proposed.

As the Planning Director is the appointed designee to the Board of Supervisors, an appeal of the decision of the Planning Director regarding the naming of the streets would be to the Board of Supervisors, if filed within 10 days of the hearing that the name change decision is made. The Planning Director's final determination will be provided at the December 7, 2023 public hearing.
