******PLEASE REVIEW REFERRAL PROCESS POLICY******

The Stanislaus County Department of Planning and Community Development is soliciting comments from responsible agencies under the Early Consultation process to determine: a) whether or not the project is subject to CEQA and b) if specific conditions should be placed upon project approval.

Therefore, please contact this office by the response date if you have any comments pertaining to the proposal. Comments made identifying potential impacts should be as specific as possible and should be based on supporting data (e.g., traffic counts, expected pollutant levels, etc.). Your comments should emphasize potential impacts in areas which your agency has expertise and/or jurisdictional responsibilities.

These comments will assist our Department in preparing a staff report to present to the Planning Commission. Those reports will contain our recommendations for approval or denial. They will also contain recommended conditions to be required should the project be approved. Therefore, please list any conditions that you wish to have included for presentation to the Commission as well as any other comments you may have. Please return all comments and/or conditions as soon as possible or no later than the response date referenced above.

Thank you for your cooperation. Please call (209) 525-6330 if you have any questions.

Applicant: Horizon Landscaping Wholesale Nursery

Project Location: 1367 Crawford Road, between Coffee and Oakdale Roads, in the Riverbank area.

APN: 074-012-009

Williamson Act Contract: N/A

General Plan: Agriculture

Current Zoning: General Agriculture (A-2-40)

Project Description: Request to establish a wholesale nursery and a landscaping contracting business on a 1.43-acre parcel in the General Agriculture (A-2-40) zoning district. Approximately 60% of the business will be associated with the wholesale nursery, 15% to landscaping installation, 20% to the installation of irrigation systems, and 5% to irrigation system maintenance. The operation of the nursery will consist of outdoor storage, irrigation and growing of nursery stocks including perennials, shrubs, and trees within potted containers. Ground cover plants in the form of no more than 50 flats of annual flowers and potting soil may be stored on-site. Small plants will arrive in flats of potted containers and then transferred into one, five and 15-gallon potted containers to mature. Once mature, they will be purchased by wholesale clients and installed by

the landscaping side of the business. Potted nursery stock will be located within a 0.25-acre area at the northwest corner of the project site. The proposed hours of operation are Monday through Friday from 7:00 a.m. through 3:30 p.m., with three employees including the owner on a maximum shift, and up to five customer visits per week. Landscaping customers will come to the site to view the nursery stock and select plants for their project. The nursery will not be open to the general public. Installation of irrigation systems associated with the landscape contracting business is expected to occur once every two months.

The project site is improved with a 3,600 square-foot single-family dwelling, three garages of 900, 416, and 735 square feet in size; a 640 square-foot recreational vehicle carport; a 2,107 square-foot pole barn; and a 100 square-foot shed. The project site is improved with landscaping consisting of turf, shrubs, and trees along Crawford Road, and screening trees along the eastern and western property lines. The site is also improved with graveled drive aisles and a 12 space parking area. The applicant proposes to use a 210 square-foot portion of the existing single-family dwelling as an office. No other on-site structures will be utilized as part of the wholesale nursery. Four pickup trucks with one open and three enclosed 14-foot-long trailers will be used to deliver, install, and maintain nursery stocks, landscaping materials, and irrigation materials. Irrigation equipment will be stored in the trailers. Traffic generated for the proposed business is estimated to be a maximum of four trips per-day in pickup trucks, up to two daily trips by the property owner in a passenger car, one daily trip by customers in a passenger car, and two daily trips by employees in passenger cars. The site is located within the City of Riverbank Local Agency Formation Commission (LAFCO) adopted Sphere of Influence (SOI). The site is served by a private well and septic system and has access to County-maintained Crawford Road.

PROJECT DESCRIPTION: (Describe the project in detail, including physical features of the site, proposed improvements, proposed uses or business, operating hours, number of employees, anticipated customers, etc. – Attach additional sheets as necessary)

***Please note: A detailed project description is essential to the reviewing process of this request. In order to approve a project, the Planning Commission or the Board of Supervisors must decide whether there is enough information available to be able to make very specific statements about the project. These statements are called "Findings". It is your responsibility as an applicant to provide enough information about the proposed project, so that staff can recommend that the Commission or the Board make the required Findings. Specific project Findings are shown on pages 17 – 19 and can be used as a guide for preparing your project description. (If you are applying for a Variance or Exception, please contact staff to discuss special requirements).**

See attached Project Description.

Horizon Landscaping Wholesale Nursery

1367 Crawford Road, Modesto CA 95357

Tier One Use Permit

Environmental Setting:

The Proposed Project Site is (1.41) acres in size, and bounds existing ranchette residential development to the north, single-family development and agricultural development to the south, single-family development to the east, and single-family development to the west.

The Subject Property includes a single-family residence, garages, and a pole barn. Previously, the Project Site was used to operate a landscaping business, Horizon Landscaping, owned by the Applicant. The landscaping business will be relocated off-site as part of this request. All trucks and equipment not directly associated with the wholesale nursery will be moved off-site or sold.

On June 2, 2016 the Stanislaus County Planning Commission approved Use Permit Application No. PLN2015-0087, a request to establish a wholesale nursery and a landscape contracting business at 1467 Crawford Road by Jim Lawrence, Artificial Turf and Landscaping Co. Inc.

The Proposed Project is located about 450 feet to the west of Use Permit PLN2015-0087 and similarly requests to establish a wholesale nursery. It is important to note that the Proposed Project will be less intensive as the existing on-site landscaping business will be relocated off-site as part of the request.

Existing Buildings

There are seven existing buildings on site:

- One existing 3,600 sq. ft. single-family dwelling
- Three existing garages, 900 sq. ft., 416 sq. ft. and 735 sq. ft in size
- One 640 sq. ft. RV Carport
- One 2,107 sq. ft pole barn
- One 100 sq. ft. shed

Single-Family Residence

Existing RV Carport and garage

Existing Garage

Existing Pole Barn

Project Description:

The Applicant, Mr. John Dickman of Horizon Landscaping, is requesting a Tier One Use Permit to allow for the development of an 8,000 sq. ft. wholesale nursery on the Subject Property located at 1367 Crawford Road (hereinafter referred to as the Proposed Project). The Subject Property is designated for A-2-40, General Agriculture District, 40 acres, and Agriculture under the Stanislaus County General Plan 2015 and Stanislaus County Code. The Proposed Project is considered a permitted use subject to the approval of a Tier One Use Permit.

The Proposed Project will not include any new construction. The wholesale nursery will involve the outdoor storage and growing of plants such as shrubs, trees, flowers, and ground cover on the north half of the Project Site as shown on the Site Plan.

All equipment and trucks that are not directly associated with operation of the wholesale nursery will be removed from the Subject Property. Trucks will be used for delivery and transportation of products to and from the wholesale nursery. Traffic generated for the Proposed Project is estimated to be one (1) to four (4) trucks per day.

Operational Description

The Applicant is proposing the Proposed Project to be operated Monday through Friday from 7:00 a.m. through 3:30 p.m. There will be two employees onsite to operate the wholesale nursery. Additionally, the wholesale nursery will not be open to the public. Clients of the wholesale nursery will be referred from the landscaping business. Approximately one (1) to two (2) clients are expected per week with the intent of reducing commercial truck activity affecting the Project site and surrounding properties.

Property Ownership and Partnership Interest

The property is owned by the John Dickman and Nancy Dickman, Trustees of the John and Nancy Dickman Revocable Trust.

Subject: Horizon Landscaping Wholesale Nursery – Letter of Support

The Horizon Landscaping Wholesale Nursery, by Horizon Landscaping involves the operation of a new wholesale nursery on the subject 1.43 acre site. The current zoning, General Agriculture (A-2-40), allows for the use of wholesale nurseries and landscape contractors when operated in conjunction with a wholesale nursery with the approval of a Tier One Use Permit. The wholesale nursery will be located outdoors in the rear portion of the site and no new buildings are proposed. Additionally, the wholesale nursery will not be open to the public and will only be open to clients of the landscaping business.

The purpose of this letter is to show our support of the Horizon Landscaping Wholesale Nursery, as indicated with the enclosed signatures of support. We would like this letter and the enclosed signatures to be presented and be part of the public record at Planning Commission meeting.

We look forward to the successful processing and approval of the Horizon Landscaping Wholesale Nursery project.

Sincerely,

The Enclosed Supporting Signatures.
